Subject: Measures for Classroom and Internship Program Arrangement
Due to the Pandemic of Coronavirus 2019 or COVID-19

According to the announcement of the Ministry of Higher Education, Science, Research and Innovation on the subject of “Measures and Surveillance for the Pandemic of Coronavirus or COVID-19 (Release 3): Operations of the Higher Education Institutions for the Pandemic Prevention of COVID-19” dated 17th March 2020, the situation of COVID-19 tends to widely and continuously spread. In order to prevent, delay, and relieve the pandemic; reduce the anxiety; and build the trust in classroom arrangement during summer semester of the academic year 2019, Rajamangala University of Technology Phra Nakhon (RMUTP) hereby announces the measures for classroom and internship arrangement due to the pandemic of Coronavirus or COVID-19 as follows:

1. Classroom arrangement: a lecturer must adopt online instruction for both theoretical and practical parts and adjust the examination and evaluation in accordance with the teaching method applied;
2. Cancellation of the internship/co-operative program in business sector: a supervising lecturer must assign an assignment to a student and supervise via online system. The assignment of each internship/co-operative student will be evaluated from the success of that assignment and the effective learning outcome which are similar to the internship/co-operative program in business sector.

In case any issue arises, the Dean of the faculty responsible for that course has the authority to make decision.

Lecturers or students are able to learn the tools assisting the online instruction on the webpage of the Office of Academic Resources and Information Technology: <https://arit.rmutp.ac.th/> or tel: 02-665-3899 or 02-665-3777 ext. 8000.

Please be advised accordingly until further announcement is made.

Issued on 17 March 2020
